

Date: 08.09.2019

Consequent to increase in RE, low demand and must run status of all KPTCL hydro units, SLDC has back down all the thermal generation. It is inevitable to curtail RE in the interest of grid security.

Hence, It is requested to curtail 10% of present RE (wind & solar) generation effectively from 12:15 hrs to 17:30 hrs on 08.09.2019 in the interest of grid security and to adhere IEGC/KEGC.

*This action is as a last **resort**. It is requested to send the curtailment details as per the format to SLDC.*

**Regards,
Shift Charge Engineer,
State Load Despatch Centre,
KPTCL-Bangalore**
